

Fuel surcharge for bookings of buses as of 15 June 2011

Dear Sir or Madam,

Since the announcement of our ferry ticket prices in July 2010, the price for vessel fuels has been subject to significant augmentations. Scandlines therefore decided in mid-March to extend the passage times of the evening and night departures concerning the Rostock- Gedser route in order to save fuel. Up to now, it has thus been possible to avoid passing on the price augmentation to our customers.

Unfortunately, this measure has proven to be insufficient. On account of this development, as of 15 June 2011, we are compelled to levy a fuel surcharge for the following routes:

Puttgarden-Rødby, Rostock-Gedser, Sassnitz-Trelleborg and Rostock-Trelleborg.

Fuel surcharge will be fixed on 15. June 2011 until further notice.

It will be calculated on a daily updated basis together with the Scandlines booking confirmation. Bookings already made will not be subsequently affected by the surcharge.

The fuel surcharge applies per bus and per single trip. It will be separately accounted for in the bill and will not be subject to discount or commission.

The following surcharges are valid for all bookings as of 15 June 2011:

Route	Bus length	Surcharge per bus / single trip
Puttgarden-Rødby	< 8m	5 €
	> 8m	10 €
Rostock-Gedser	< 8m	6 €
	> 8m	12 €
Sassnitz-Trelleborg	< 8m	8 €
	> 8m	15 €
Rostock-Trelleborg	< 8m	8 €
	> 8m	15 €
Helsingør-Helsingborg	< 8m	4 €
	> 8m	6 €
Puttgarden-Rødby+Helsingør-Helsingborg	< 8m	9 €
	> 8m	16 €
Rostock-Gedser+Helsingør-Helsingborg	< 8m	10 €
	> 8m	18 €
